Admin User Creation

Admin User Creation

Operator I Dashboard	Customer Service	Reports	Ticket System	Administration
Find page	Ł			
Administration	2022-11-01 10:36	:48		
- Account Groups	atus			Lova
Users				Last 2
		_	-	Last w

Step 1. Go to admin.instantsystems.se and then Administration->Account->Users

Step 2. To create an admin user, follow the steps below

- 1. Click the "New User" button.
- 2. Fill out User Credentials + Profile Information
- **3.** Choose the desired user group, with the drag and drop functionality.
- **4.** Press the "Create" button, user created, and the user will now receive an email with login details and a link to the admin website.

UserID	User	First Name	Last Name	Email	Groups	Phone Nr	Address		User credentials
Q	٩	٩	Q		Q	٩			TestJulia
									Profile information E-mail:
									Julia@*****.com
									Firstname:
									Julia
									Test
									Phone number:
									Address:
									Zipcode: Group management
									Available groups: Selected groups for user:
									2 OR 1 Operator 3 Invoices 4 Customer Service
							4	Export	7 OperatorAdministrato 8 Kiosk Operator
									E Create

Step 3. If user should be assigned to a specific operator this step needs to be done after creating the account. If User should have access to all operator this step is not necessary.

When user is created, press search in the user list. Find your newly created user account and set the desired operator in the *Operator* option to the right, press save, done!
